

## Important Disclosures

---

Use of this content, the SoHo Capital LLC (“SoHo”) website, and related sites and applications is provided under the SoHo terms and Conditions of Use.

### Unauthorized Disclosure Prohibited

The information provided in this publication is private, privileged, and confidential information, licensed for your sole individual use as a subscriber. SoHo reserves all rights to the content of this publication and related materials. Forwarding, copying, disseminating, or distributing this report in whole or in part, including substantial quotation of any portion the publication or any release of specific investment recommendations, is strictly prohibited.

Participation in such activity is grounds for immediate termination of all subscriptions of registered subscribers deemed to be involved at SoHo’s sole discretion, may violate the copyright laws of the United States, and may subject the violator to legal prosecution. SoHo reserves the right to monitor the use of this publication without disclosure by any electronic means it deems necessary and may change those means without notice at any time. If you have received this publication and are not the intended subscriber, please contact [info@sohocap.com](mailto:info@sohocap.com).

### Disclaimers

The SoHo websites are published by SoHo Capital LLC. Information contained in such publications is obtained from sources believed to be reliable, but its accuracy cannot be guaranteed. The information contained in such publications is not intended to constitute individual investment advice and is not designed to meet your personal financial situation. The opinions expressed in such publications are those of the publisher and are subject to change without notice. The information in such publications may become outdated and there is no obligation to update any such information. You are advised to discuss with your financial advisers your investment options and whether any investment is suitable for your specific needs prior to making any investments.

Frank T. Troise, SoHo Capital LLC and other entities in which he has an interest, employees, officers, family, and associates may from time to time have positions in the securities or commodities covered in these publications or web site. Corporate policies are in effect that attempt to avoid potential conflicts of interest and resolve conflicts of interest that do arise in a timely fashion.

SoHo Capital LLC reserves the right to cancel any subscription at any time, and if it does so it will promptly refund to the subscriber the amount of the subscription payment previously received relating to the remaining subscription period. Cancellation of a subscription may result from any unauthorized use or reproduction or rebroadcast of any SoHo publication or website, any infringement or misappropriation of SoHo’s proprietary rights, or any other reason determined in the sole discretion of SoHo Capital LLC.

### Affiliate Notice

SoHo has affiliate agreements in place that may include fee sharing. If you have a website or newsletter and would like to be considered for inclusion in the SoHo affiliate program, please send an email to [info@sohocap.com](mailto:info@sohocap.com). Likewise, from time to time SoHo may engage in affiliate programs offered by other companies, though corporate policy firmly dictates that such agreements will have no influence on any product or service recommendations, nor alter the pricing that would otherwise be available in absence of such an agreement. As always, it is important that you do your own due diligence before transacting any business with any firm, for any product or service.

*UnHedged* is not an offering for any investment. It represents only the opinions of Frank T. Troise. Any views expressed on are provided for information purposes only and should not be construed in any way as an offer, an endorsement, or inducement to invest and is not in any way a testimony of, or associated with, SoHo's other firms. Please make sure to review important disclosures at the end of each article published. SoHo companies may have a marketing relationship with products and services mentioned in this letter for a fee.

**Legal Disclosures:** Frank T. Troise is the CEO of SoHo Capital LLC, an investment advisory firm. SoHo and Frank T. Troise may act as a Solicitor to refer business to other investment advisors and receive a portion of the advisory fee for said referral.

SoHo can refer investors to private investment offerings with other independent firms such as Emerald Bay Wealth Management, Buckingham Asset Management and Mission Wealth Management. Any views expressed herein are provided for information purposes only and should not be construed in any way as an offer, an endorsement, or inducement to invest with any CTA, fund, or program mentioned here or elsewhere. Before seeking any advisor's services or making an investment in a fund, investors must read and examine thoroughly the respective disclosure document or offering memorandum.

PAST RESULTS ARE NOT INDICATIVE OF FUTURE RESULTS. THERE IS RISK OF LOSS AS WELL AS THE OPPORTUNITY FOR GAIN WHEN INVESTING IN MANAGED FUNDS. WHEN CONSIDERING ALTERNATIVE INVESTMENTS, INCLUDING HEDGE FUNDS, YOU SHOULD CONSIDER VARIOUS RISKS INCLUDING THE FACT THAT SOME PRODUCTS: OFTEN ENGAGE IN LEVERAGING AND OTHER SPECULATIVE INVESTMENT PRACTICES THAT MAY INCREASE THE RISK OF INVESTMENT LOSS, CAN BE ILLIQUID, ARE NOT REQUIRED TO PROVIDE PERIODIC PRICING OR VALUATION INFORMATION TO INVESTORS, MAY INVOLVE COMPLEX TAX STRUCTURES AND DELAYS IN DISTRIBUTING IMPORTANT TAX INFORMATION, ARE NOT SUBJECT TO THE SAME REGULATORY REQUIREMENTS AS MUTUAL FUNDS, OFTEN CHARGE HIGH FEES, AND IN MANY CASES THE UNDERLYING INVESTMENTS ARE NOT TRANSPARENT AND ARE KNOWN ONLY TO THE INVESTMENT MANAGER. Alternative investment performance can be volatile. An investor could lose all or a substantial amount of his or her investment. Often, alternative investment fund and account managers have total trading authority over their funds or accounts; the use of a single advisor applying generally similar trading programs could mean lack of diversification and, consequently, higher risk. There is often no secondary market for an investor's interest in alternative investments, and none is expected to develop.

All material presented herein is believed to be reliable but we cannot attest to its accuracy. Opinions expressed in these reports may change without prior notice. Frank T. Troise and/or the staffs may or may not have investments in any funds cited above as well as economic interest.

This information is not to be construed as an offer to sell or the solicitation of an offer to buy any securities.
